DERBY CROWN.

Dear Gody,
At last we've got organised & gathered together some photographs of your visit to Derby & here they are. If any of Ring O' Bells want further copies let me know & I will arrange to send some.

We really enjoyed your visit to Derby & the photographs have taken pride of place in our scrapbook.

Will you please give my best wishes to Gody McGeen & Linda Svenson who stayed with us.

Yours
Daryl Dawson
