Dear Jody,

Here are the badges of Windsor
Castle as promised! Sorry we didn't have
time to shop that morning.

Thanks again for managing to
fit in a visit to Windsor in such a busy schedule.
We really appreciated it & everyone thoroughly
enjoyed the tour. I hope you're all managing
to take it easy now it's all over.

The side is now talking of saving
up for a visit to the States in 1981, so
you never know!

Best wishes to all King O' Bells,

Jenny.
