Dear Jody,  
just a few lines to wish you a happy Christmas and  
a prosperous New Year (that is, if this reaches you O.K!). Enclosed  
are a few souvenirs of your stay in Kings Lynn, and we  
hope you enjoyed it as much as we did. You certainly caused a  
stir in the local press, as you can see from the enclosed cuttings,  
you got pretty good coverage. Anyway, if you come back for another  
tour remember us,

Cheers.

Steve & Denise Green.
